

**BUSINESS RETENTION &
EXPANSION INTERNATIONAL**

Sponsorship Opportunities

Business Retention and Expansion International supports the efforts and education of economic developers across the globe for retaining and supporting businesses in their communities. Although rural in focus, the organization represents all sizes and scopes of municipalities and territories and has programs that develop leadership skills, volunteer and sustained models of survey, and a host of valuable resources.

Sponsorship opportunities are available for business and corporate partners who wish to showcase information or products to BREI's international base of economic development members.

Sponsors will have opportunities to exhibit during the conference as well as advertise and network with members throughout the year.
